

E-Z Hoist Model DL-300 for Die & Roller Lift

Radial Die Lifter - 300 lb Max Capacity Lift

AAA Press International is an authorized distributor of Aztech products.

The Aztech E-Z Hoist DL-300 portable lifter is a cost-effective solution for lifting, loading and removing rotary dies, rollers from printing and converting equipment.

The systems includes: die lifter, die bar (specify die length), straps (for secondary method for removing dies) and mounting bracket.

May be operated with press mounting blocks or Model MP-200 or MP-400 mobile platforms. Additional mounting blocks and die bars available. Ask for details.

- Reduces workplace back injuries
- Eliminates expensive die and roller damage
- Improve productivity and profitability
- Minimize material damage
